

**ADVISORY NO.: 1 Dated 31.1.2019**

Sub: Registration-Govt. Institutions – Reg.

This advisory is issued to the District Registering Authorities regarding the Kerala Clinical Establishment Act 2018 in respect of Govt. institutions as follows.

- (i) TAN No. is included as an ID proof for issuing user ID & password for public institutions
- (ii) In the person in charge page for public institutions in the application form, only the designation of the charge officer is mandatory. The name is not a mandatory field.
- (iii) (a) Establishments without LSGI registration applying for KCEA Registration may be directed to register under LSGI and provide the registration Certificate for KCEA registration.  
(b) Establishments which has not received LSGI Certificate may upload the receipt of application submitted.
- (iv) All the Govt. institutions shall be registered in a time bound manner.
- (v) At 3 places, Manjeri, Palakkad and Idukki, District Hospital is also the hospital of the Medical College Hospital. In these cases, the Superintendent of District Hospital shall register the hospital under Kerala Clinical Establishment Act. The Medical College authorities need not take independent registration till their independent hospital is fully functional. As and when they become an independent entity, the Superintendent of MCH shall complete registration.
